

Paul Bonsee

Consultant

CURRENT RESPONSIBILITY

Paul Bonsee is a consultant with the New York region Employee Benefits practice of Milliman. He is responsible for all facets of marketing and client development, including acquisition, retention, and satisfaction of priority accounts. Paul is a member of the region's Business Development Unit (BDU), which creates and delivers Milliman's responses to Requests for Proposals (RFPs) and develops cost quotations and service proposals.

EXPERIENCE

Paul has more than 30 years of experience in the field of employee benefits with a focus on corporate and multi-employer defined benefit, plans, financial risk management, and investment consulting. He has been a featured speaker in more than 120 educational seminars devoted to such topics as benefit plan design, regulatory compliance, cost containment, plan outsourcing, and participant communications.

Prior to joining Milliman, Paul held various leadership positions, such as vice president and senior vice president in the employee benefits, insurance brokerage, and financial services industries.
