

L. Daniel Muldoon
Healthcare Consultant

CURRENT RESPONSIBILITY

Daniel is a healthcare consultant with the New York office of Milliman. He joined the firm in 2017.

EXPERIENCE

Daniel has an extensive background in healthcare payment reform and value-based contracting.

Daniel has expertise designing and implementing episode-based payment risk adjustment and pricing methodologies and analyzing administrative health insurance claims data.

Prior to joining Milliman, Daniel worked as a technical advisor at the Centers for Medicare and Medicaid Innovation (CMMI), implementing and developing payment methodologies for CMMI's episode-based payment models, including BPCI, OCM, CJR, and EPM.

PUBLICATIONS

Association between hospital participation in a Medicare bundled payment initiative and payments and quality outcomes for lower extremity joint replacement episodes. By Laura Dummitt, Daver Kahvecioglu, Grecia Marrufo, Rahul Rajkumar, Jaclyn Marshall, Eleonora Tan, Matthew J. Press, Shannon Flood, L. Daniel Muldoon, Qian Gu, Andrea Hassol, David M. Bott, Amy Bassano, and Patrick H. Conway. *JAMA* 2016; 316(12): 1267–1278.

Design challenges of an episode-based payment model in oncology: The Centers for Medicare & Medicaid Services Oncology Care Model. By Ronald M. Kline, L. Daniel Muldoon, Heidi K. Schumacher, Larisa M. Strawbridge, Andrew W. York, Laura K. Mortimer, Alison F. Falb, Katherine J. Cox, Carol Bazell, Ellen W.

Lukens, Mary C. Kapp, Rahul Rajkumar, Amy Bassano, and Patrick H. Conway. *Journal of Oncology Practice* 2017; DOI: 10.1200/JOP.2016.015834.

The site of care matters: An examination of the relationship between high Medicaid burden hospitals and the use, cost, and complications of immediate breast reconstruction after mastectomy. By Anaeze C. Offodile II, L. Daniel Muldoon, Faiz Gani, Joseph K. Canner, and Lisa K. Jacobs. *Cancer* 2017; DOI: 10.1002/cncr.31046.
