

### Victoria Gomez

FCAS, MAAA  
Consulting Actuary

#### CURRENT RESPONSIBILITY

Victoria Gomez is a consulting actuary with the Property and Casualty practice in Milliman's San Francisco office. She joined the firm in 2016.

#### EXPERIENCE

Victoria's areas of expertise include:

- Personal lines homeowners and ratemaking, particularly in catastrophe exposed areas, including incorporation of data from industry sources, competitors, and catastrophe models
- Reinsurance structuring, pricing, and optimization
- Specialized experience in the regulatory environment surrounding Florida's insurance industry
- Competitive intelligence and benchmarking for ratemaking and product development, including development and analysis of granular competitor data and rating plan design

Prior to joining Milliman, Victoria was Chief Risk Officer with Centauri Specialty Insurance in Sarasota, Florida. Her responsibilities included reinsurance, risk management, catastrophe modeling, pricing, and reserving.

#### PROFESSIONAL DESIGNATIONS

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries

#### EDUCATION

- BS, Mathematics, Massachusetts Institute of Technology
- BS, Chemistry, Massachusetts Institute of Technology
