

Eric J. Patel

Healthcare Consultant

CURRENT RESPONSIBILITY

Eric is a healthcare consultant in the Hartford office of Milliman. He joined the firm in 2005.

EXPERIENCE

Eric works in the Health practice of the Hartford office where he currently focuses on data analytics. He has been actively involved in Medicare Part D since inception and has helped clients with pricing, data auditing, strategic formulary design, and risk score optimization. He also has experience with GASB 45, reserving, and the use of alternative risk transfer mechanisms for employer benefits.

Prior to joining the Health staff, he worked for the Milliman Hartford Life practice where he specialized in asset-liability modeling and cash flow testing.
