

Katherine A. Pipkorn

ACAS, MAAA
Associate Actuary

CURRENT RESPONSIBILITY

Katie Pipkorn is an associate actuary with the Milwaukee office of Milliman. She joined the firm in 2013.

EXPERIENCE

Katie's area of expertise is property and casualty insurance, particularly ratemaking, predictive modeling, and loss reserving. Within this space, she has experience in multiple lines of business, including personal lines, various segments of professional liability, workers' compensation, and general liability, among others. Katie has provided actuarial assistance to risk-bearing entities in both the private and public sector. She has assisted clients with assignments, including ratemaking, multi-state regulatory filings, self-insurance funding, estimating the impact of proposed legislation, preparation of actuarial opinions, and loss reserving.
