

Dionne Schaaffe

ACAS, MAAA
Associate Actuary

CURRENT RESPONSIBILITY

Dionne is an actuarial analyst with the New York office of Milliman. She joined the firm in 2000.

EXPERIENCE

Dionne has worked on projects involving loss reserving, pricing, and reinsurance. The clients she has served include insurance companies and reinsurance companies.

Prior to joining Milliman, Dionne spent three years with ISO preparing loss cost reviews, filings, and circulars for submission to the state insurance departments and to ISO affiliates. At ISO, Dionne was also part of a team responsible for the designing and testing of a new ratemaking system.

EDUCATION

- BS, Mathematics and Physics, University of the West Indies
- MBA, Computer Information Systems, Baruch College
