

Priya Sharma

MA
Consultant

CURRENT RESPONSIBILITY

Priya is a healthcare consultant with the New Delhi office of Milliman. She joined the firm in 2008 and has more than 6 years of health industry experience.

EXPERIENCE

Priya's area of expertise includes pricing, experience reporting, and claim reserve analysis. She has worked on accessing the viability of various health plans and developed rating structures for them. She has worked extensively on rating of Medicare plans on behalf of various insurers and HMOs for the submission to the Centers for Medicare and Medicaid Services in the United States. She has been involved with various health data analysis and reserving assignments in the Middle East and the United Kingdom.

Her areas of experience include:

- Pricing of retail and group health insurance products
- Analysis of large health insurance data
- Benchmarking assignments
- Health reserving for both retail and group businesses
- Developing actuarial pricing tools

PUBLICATIONS

- Re-Pricing Health Insurance Product: A Practical Guide, *Insurance Regulatory and Development Authority Journal*, July 2012
