

Melinda Willson

FSA, MAAA
Consulting Actuary

CURRENT RESPONSIBILITY

Melinda is a consulting actuary with Milliman's Bannockburn/Chicago office. She joined the firm in 2006. Melinda's primary responsibilities include experience study development, assumption setting for new products, and life product development.

EXPERIENCE

Prior to joining Milliman, Melinda worked for a large stock life insurance company where she held various roles in pricing, product development and implementation, and model development and support.
