

Timothy S. Bleick

FSA, EA, MAAA

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Tim is a principal and consulting actuary with the Milwaukee office of Milliman. He joined the firm in 2008 and has over 20 total years of retirement plan experience. He is currently the lead consultant for a number of clients with work relating to various types of retirement plans.

EXPERIENCE

Tim has served as consultant and valuation actuary to a wide range of companies, from Fortune 50 companies to small privately held companies. He has managed all aspects of pension and retiree healthcare projects, including annual funding valuations under ERISA, annual accounting valuations under U.S. and international accounting standards, funding and accounting projection studies, experience studies, plan design analysis, pension administration, and nondiscrimination testing. He has also prepared accounting reports and plan design analysis for several public employers with respect to their retiree medical plans.

Tim has been a speaker on pension and employee benefit matters at Milliman consultants' forums, and at other professional meetings. He is currently a member of Milliman's Corporate Pension Plan Strategic Planning Group, as well as Milliman's representative on the Society of Actuary's Retirement Plans Experience Committee Industry Advisory Group. Tim is also a current board member of Wisconsin Retirement Plan Professionals Ltd.
