

Neil J. Cantle

MA, ASA, FIA
Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Neil is a principal and consulting actuary with the London office of Milliman. He joined the firm in 2005 and was elected a principal in 2008.

EXPERIENCE

Prior to joining Milliman, Neil spent 15 years working in the UK operation of a Top 10 insurance company in Europe. For five years, he sat on the company board and had executive responsibility for strategy, legal, compliance, projects, marketing, product development, public relations, mergers and acquisitions, finance, and risk management. He has extensive knowledge of the UK retirement market.

At Milliman, assignments include enterprise risk management, mergers and acquisitions, product development, longevity, and corporate restructuring.

Neil leads the development of Milliman's CRisALIS™ methodology for analyzing and quantifying enterprise risk.

PRESENTATIONS AND PUBLICATIONS

Neil has spoken at industry meetings and business forums in the United States, Asia, and Europe.

Neil has had numerous articles published in journals and industry publications in the UK and the United States.
