

## Stephen George

PharmD, MS, RPH  
Senior Consultant

### CURRENT RESPONSIBILITY

Stephen is a senior healthcare consultant with the Tampa office of Milliman.

### EXPERIENCE

Stephen is a pharmacist with 20 years of experience. He serves as a senior consultant assisting clients in various areas including healthcare plan pharmacy operations, management of physician-administered and specialty drugs, integration of pharmacy and medical outcomes analysis, and developing ROI evaluations on medical interventions.

Stephen has experience in a variety of patient care and management settings—managed care, hospital, care management, and clinical trials. He has experience with health policy analysis, pharmacoconomics and outcomes research, auditing PBM/specialty pharmacy contracts, 340-B pricing models, implementing disease management models, drug/device pricing, assessing pharmacy MTM programs, and developing “best in class” clinical applications.

Previous positions include:

- VP and Partner Conexus Health
- Pharmacy Advisor Hillsborough County Healthcare Plan
- Pharmacy Director Physician Corporation of America
- Clinical Pharmacist Mount Carmel Medical Center

He has published and presented numerous publications, posters, strategy sessions, and podium presentations. He has participated as co-investigator or lead research pharmacist in several Phase II – IV clinical trials.

### PROFFESIONAL DESIGNATION

Stephen holds an active pharmacist license in Florida.

### EDUCATION

- Doctor Pharmacy, Broadmore University
- Masters of Science Hospital Pharmacy Administration, The Ohio State University
- Bachelor Science Pharmacy, Samford University
- Administrative Pharmacy Resident, Mount Carmel Medical Center, Columbus, Ohio
- Pharmacy Practice Resident, Mount Carmel Medical Center, Columbus, Ohio
- Pharmacy Practice Resident, Medical University of South Carolina, Charleston
