

### Roberta Harris

FSA, MAAA  
Consulting Actuary

#### CURRENT RESPONSIBILITY

Roberta is a consulting actuary in the Chicago office of Milliman. She joined the firm in 1997.

#### EXPERIENCE

Roberta's primary area of expertise has been concentrated in the modeling and valuation of individual life and annuity business. She has particular familiarity with the Japanese life insurance market, having spent seven months on assignment to the Tokyo office in 2000. More recently, she has developed expertise in interest-sensitive liability modeling and financial risk management, as well as liability models used for securitizations.

#### PROFESSIONAL DESIGNATIONS

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

#### EDUCATION

AB, Mathematics, Harvard University  
MS, Mathematics, University of Chicago
