

William A. Reimert

CFA, FSA, EA, MAAA
Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Bill is a principal and consulting actuary with the Philadelphia office of Milliman. He joined the firm in 1983.

EXPERIENCE

While the majority of his work relates to defined benefit pension plans and prepaid tuition plans, Bill also has extensive experience in health insurance plans covering retirees. He specializes in asset/liability studies for pension plans and prepaid tuition programs to estimate the effect on program costs and funded status of alternative asset allocations under varying economic scenarios.

conferences of the International Foundation of Employee Benefit Plans, the American Management Institute, the Financial Executives Institute, the National Council on Teacher Retirement, the National Conference of Public Employee Retirement Systems, the Chamber of Commerce, and many professional actuarial associations.

Additionally, Bill has co-authored the study "Measuring and Funding Corporate Liabilities for Retiree Health Benefits," published by the Employee Benefits Research Institute.

EDUCATION

- A.B. degree, Hamilton College

PROFESSIONAL DESIGNATIONS

- Chartered Financial Analyst
- Fellow, Society of Actuaries
- Enrolled Actuary, ERISA
- Member, American Academy of Actuaries

PROFESSIONAL ACTIVITIES

Bill served on the Retiree Health Care Committee of the Actuarial Standards Board and as Chair of the Pension Committee of the Actuarial Standards Board. He has also served on the Board of the American Academy of Actuaries and is a member of the Governmental Accounting Standards Board (GASB) Task Force on Accounting and Financial Reporting for other post-employment benefits and the GASB Advisory Board on the Pension Q&A Implementation Guide. Additionally, he has served on the Society of Actuaries' Examination and Pension Section Program Committees and the Academy's Subcommittee on Public Pension Plans.

He has made presentations on issues relating to pension and employee benefits at
