

Ryan L. Swenson

FSA, MAAA
Consulting Actuary

CURRENT RESPONSIBILITY

Ryan is a consulting actuary with the Atlanta office of Milliman. He first joined the firm's Scottsdale, Arizona, office in 1994 and moved to the Atlanta office in 2004.

EXPERIENCE

Ryan works with Blue Cross and Blue Shield Plans, HMOs, health insurance carriers, and provider organizations. He assists clients in developing and evaluating strategies in the commercial, Medicare, and Medicaid markets. His client activities include the following:

- Product design
- Pricing and rate development
- Healthcare cost analysis and actuarial cost model development
- Preparing regulatory rate filings
- Developing provider reimbursement and risk-sharing arrangements
- Analyzing feasibility of participating in Medicare and Medicaid programs
- Preparing Medicare Advantage annual filings
- Analysis of actuarial liabilities
- Financial reporting, forecasting, and projections

PROFESSIONAL DESIGNATIONS

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

EDUCATION

- BS, Mathematics/Actuarial Science
Emphasis, University of Minnesota, Duluth
