

Kamiel van Langen

MSC, AAG

Consultant and Consulting Actuary

CURRENT RESPONSIBILITY

Kamiel van Langen is a consulting actuary in the Amsterdam office of Milliman. He joined the company in 2015. Since then, he has been involved in various projects within the domain of insurance and pensions. His projects include Solvency II for both life and non-life insurers, capital and value management, pricing, credit risk modelling, M&A activities and investment consulting.

EXPERIENCE

Before joining the Amsterdam office of Milliman, Kamiel was an analyst at a consultancy focusing on pension funds and life insurers. He also did a research project for the asset (and liability) management department of a large pension provider. With his team, he investigated the possible impact of pension systems on the credit rating of sovereigns.

AFFILIATIONS

Kamiel is a certified actuary (AAG) and a member of the Dutch Actuarial Association. He teaches a course on healthcare insurance at the University of Amsterdam (Amsterdam Business School).
