

Gregory T. Zebolsky

FSA, MAAA

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Greg is a principal in the Omaha office of Milliman. He joined the firm in 1983.

EXPERIENCE

Greg's areas of expertise include continuing care retirement communities (CCRCs), long-term care insurance, and individual life insurance. He performs comprehensive actuarial studies for CCRCs, including population projections, actuarial balance sheet, cash flow projections, and actuarial pricing analysis. Greg is experienced in the design, development, and pricing of residency agreements and has performed mortality and morbidity studies for lifecare communities.

In the area of individual life insurance, Greg is experienced in product development and pricing of traditional and flexible life and annuity products. His work also includes cash flow testing, GAAP modeling, and financial projections.

PROFESSIONAL DESIGNATIONS

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

AFFILIATIONS

Greg chaired the Society of Actuaries' project oversight group for The Analysis of CCRC Data research project and served three years on the Society's Examination Committee for Course G522—CCRC/Long-Term Care. He also served on the board of directors and the program committee of the Nebraska Actuaries Club. Greg also served on the ASOP No. 3 Task Force for revision of the CCRC standard of practice.

EDUCATION

- BS, Applied Mathematics, University of Nebraska
